PART III: STANDARD TERMS AND CONDITIONS

This Permit for Use of Premises ("Agreement") is made and entered into on the above date by and between the Los Angeles Community College District ("LACCD") doing business on behalf of East Los Angeles College, and the above-named Permittee("Permittee"), subject to and on the terms and conditions hereinafter set forth.

1. Grant of Permit. In consideration of the payment of the Permit Fee and the performance of the covenants and conditions contained in this Agreement, LACCD hereby grants to Permittee a non-exclusive temporary permit to use the Permit Area during the Permit Term subject to and on the terms and conditions set forth herein. The Permit granted hereunder should include non-exclusive rights of ingress and egress as reasonably necessary to use the Permit Area, with the path of travel to be determined from time to time in the sole and entire reasonable discretion of LACCD; use of such path of travel shall be limited to ingress and egress only, but for all purposes shall be deemed a part of the Permit Area.

2. Use. Permittee shall have the right to use the Permit Area for the sole purpose of conducting activities related to the production of a motion picture (including feature films, television programming, commercials and other media productions) or still photography, during the Permit Term specified in Part II, and for no other purpose and for no other time without the prior written consent of LACCD, which consent may be granted, withheld or conditioned in the sole and absolute discretion of LACCD. Permittee agrees to use the Permit Area in strict accordance with the terms and conditions set forth herein. Permittee may use only those restrooms and handwashing stations that Permittee has delivered to campus for production staff and actors use. Permittee is responsible to provide all necessary signage with respect to the use of the restrooms. Permittee is to provide all toiletries for any restroom and hand washing stations that it uses and to maintain them in a clean condition on a daily basis. Once Permittee has ceased using the Permit Area for the duration of this Agreement, it will ensure that the restrooms and handwashing stations are safely picked up and removed from the campus immediately. Permittee understands that the operation of the Permittee's activities on the Permit Area are secondary to the LACCD's instructional program and no part of the Permittee's operation shall be disruptive, as reasonably determined by LACCD, to the LACCD's instructional program.

3. Cancellation. (a) Permittee agrees that if Permittee cancels the use of Premises for the Production for any reason at any time later than 72 hours before and up to 48 hours before 7:00am on the first day of the Production Time Frame, Permittee shall pay a cancellation fee of $ 2,000.00 (twenty-five per cent (25%) of the Total Location Fee Due); if the use is cancelled anytime later than 48 hours before and up to 24 hours before 7:00am on the first day of the Production Time Frame, Permittee shall pay a cancellation fee of $4,000.00 (fifty per cent (50%) of the Total Location Fee Due) if the use is cancelled within 24 hours before 7:00am on the first day of the Production Time Frame, Permittee shall pay a cancellation fee of $6,000.00 (seventy-five per cent (75%) of the Total Location Fee Due). If Permittee notifies LACCD of a cancellation later than 8 pm on any day, the notification will be deemed to have been made the following day for purposes of computing the cancellation fee. The parties deem these cancellation fees to be reasonable, given the time, effort, expense and inconvenience for LACCD associated with making Premises available to Permittee and with such a cancellation. Notification of cancellation must be made by the Permittee no later than 8PM the day prior to the day(s) to be cancelled, or Permittee is responsible for the full rate of use fees. Any refunds for advance payments made to the LACCD shall be at it sole discretion. Notification of cancellation shall be made to the Vice President of Administrative Services if such filming occurs on a college campus. LACCD reserves the right to cancel any usage under this Permit as appropriate, which includes but is not limited to violation of Article VIII of the Board Rules and shall include the College need for the facilities for educational purposes. If such cancellation is required, LACCD shall provide Permittee with at least five (5) business days' notice. LACCD reserves the right to immediately cancel this Agreement if Permittee's use of the Permit Area results in any violation of federal, state, local law or LACCD board rule, regulation or policy, which includes but is not limited to Permittee's failure to adhere to the COVID-19 guidelines issued by the State, County and District relating to television and movie productions. This includes but is not limited to respecting appropriate social distancing space arrangements and personal protective equipment procedures. . Permittee also agrees that if the production is cancelled, any agreed upon remodeling or restoration work started by Permitee shall be completed or returned to the original condition at LACCD's election and the LACCD's reasonable satisfaction, including painting, carpentry and/or any other project.

ACCEPTED AS IS
NOT FOR FINAL

4. Security Deposit. The Permittee may be requested to provide a deposit with a check issued on behalf of the LACCD, as detailed in Part II of the Permit Agreement as security for the performance by Permittee of all terms, covenants and conditions of this Agreement. If Permittee defaults with respect to any provision of this Agreement, including, but not limited to the provisions relating to any payments hereunder, LACCD may, but shall not be required to, use, apply or retain all or any part of the Security Deposit for the payment of any overages, fess (including but not limited to Cancellation Fees, Storage fees), damage, loss, injury, repair, restoration, labor, or the like, amounts or any other sums in default, or for the payment of any other amount that LACCD may expend or become obligated to expend by reason of Permittee's default. Said amounts shall be retained by East Los Angeles College and will be deducted from the Security deposit unless Permittee issues a new check for the required amount. If LACCD elects to do so, it shall first give notice to Permittee and give Permittee a reasonable opportunity to cure. If Permittee is in compliance with the covenants and obligations set forth in this Agreement at a time that is thirty (30) days following the time of both the expiration or termination of this Agreement and Permittee's vacation of the Permit Area, LACCD as applicable, shall return the balance of the Security Deposit due to Permittee within ten (10) working days or promptly thereafter to the address listed on the Permit, or to a changed address of which Permittee has notified LACCD in writing. Permittee agrees that, if the refund check is returned as undeliverable or has not been negotiated within 90 days of mailing, the unrefunded amount shall constitute part of the Permit Fee.

5. Permittee's Rights to Materials Produced; Indemnity. All rights of every kind and nature whatsoever in and to all still and motion pictures, photographs and sound recordings made hereunder in connection with use of the Permit Area by Permittee shall be and remain the sole and exclusive property of Permittee; including, without limitation, the perpetual and irrevocable right and permit to use and re-use said photography and/or said sound recordings in connection with any motion pictures as Permittee shall elect, in, and in connection with, advertising, publicizing, exhibiting and exploiting such motion pictures, in any manner whatsoever and at any time by all means, media, devices, processes and technology now or hereafter known or devised in perpetuity. The Permittee shall assume all costs arising from the use of copyrighted materials, equipment, devices, processes, or dramatic rights used on or incorporated in the conduct of its performance under this Agreement, and the Permittee agrees to indemnify and hold harmless and defend the LACCD and its duly authorized representatives from all damages, costs, and expenses in law or equity, for, or on account of, the use of any copyrighted materials, equipment, devices, processes, or dramatic rights furnished or used by the Permittee in connection with this Permit. In this regard, the Permittee's attention is particularly directed to the use of copyrighted music. Neither Permittee nor its successors shall be obligated to make any actual use of any production or photography or of any reference to the Permit Area or College in any motion picture production or otherwise. The provisions of this Section 5 shall survive the expiration or earlier termination of this Agreement.

6. College/District Name. Unless the LACCD grants permission for Permittee to do so in writing, Permittee shall not use the name (including, without limitation, signs or logos) of the College or LACCD in the name of its production or in the script, dialogue, photography, publicity or in any of its advertising, and the locations used in the film shall not be identified as belonging to the Los Angeles Community College District. Any use of the LACCD's names or logos shall require prior approval by its Board of Trustees. Unless as agreed to advance otherwise by the parties in writing, Permittee represents and warrants that the name of its production or its script, dialogue, photography, publicity or any of its advertising does not identify the Premises or Permit Area as belonging to the Los Angeles Community College District nor does it utilize the name (including, without limitation, signs or logos) of the College or LACCD without prior permission and in a manner that reflects negatively and derogatorily on the College or LACCD. In the event of a breach by error or mistake by Permittee of the preceding representation and warranty, in a manner that exhibits gross negligence or willful misconduct, the LACCD reserves the right to seek injunctive relief in addition to any other remedy available at law.

7. Participants/Spectators. Permittee shall take reasonable steps to insure that the students, the faculty, and the general public are excluded from the area in which it is filming. Permittee shall obtain releases from any participants outside of those in the employ of Permittee, including the parents of any

In addition, if Permittee intends to employ students in its filming, Permittee is solely responsible for ensuring that consent is received from such students and any required contract or process for employment or volunteer agreement is handled appropriately by the Permittee. All spectators if allowed by LACCD and Permittee are limited to LACCD designated areas while watching such activities. As a result of COVID-19 guidelines, no spectators shall be allowed on campus during this use of the Permit Area.

8. Permittee's Insurance. Permittee shall provide the following insurance: (a)

Commercial General Liability Insurance:

Permittee shall provide evidence of such insurance upon request of LACCD. Permittee shall cause the insurers to notify LACCD in writing of any requests to terminate said insurance or any intention by the insurer to terminate said insurance. LACCD reserves the right to require other coverage on a case-by-case basis (i.e., aviation, excess automobile and watercraft liability with minimum coverages of $5,000,000) or modify its insurance requirements at any time and Permittee shall modify its insurance coverage to conform to the applicable requirements upon receipt of written notice from or LACCD. Permittee shall not do or permit anything to be done in or about the Permit Area or bring or keep anything therein that would affect or increase the existing rate of any fire or other insurance covering the property upon which the Permit Area is located, or that would cause a cancellation of any such insurance policy or any provision thereof.

9. As-Is Condition; Surrender Condition. Permittee accepts the Permit Area 'AS-IS," "WHERE-IS," and "WITH ALL FAULTS" subject to all applicable zoning, municipal, county, and state laws, ordinances, and regulations governing and regulating the use of Permit Area, and accepts this Agreement subject thereto and to all matters disclosed thereby. Permittee, at its sole cost and expense, shall promptly perform and complete any repairs or replacement of any nature or character occasioned or made necessary by reason of the use of the Permit Area by Permittee except for those repairs or replacement due to use of the Permit Area by LACCD.

(b) Any painting must have LACCD's prior consent, and if such painting occurs and LACCD wishes to change the color or quality at the conclusion of Production, Permittee will pay for Premises to be re-painted using a painter and paint chosen by LACCD. For every day that passes after the Production Time Frame and until the re-painting is concluded to LACCD's reasonable satisfaction, Permittee shall pay a Wrap Day fee, except that such fees shall not apply to weekdays during which LACCD's desired painter is unavailable to start work.

(c) Permittee agrees to inform all cast and crew that no wandering within Premises is allowed. I will be flying outside of the Auditorium, Cafeteria, and a classroom.
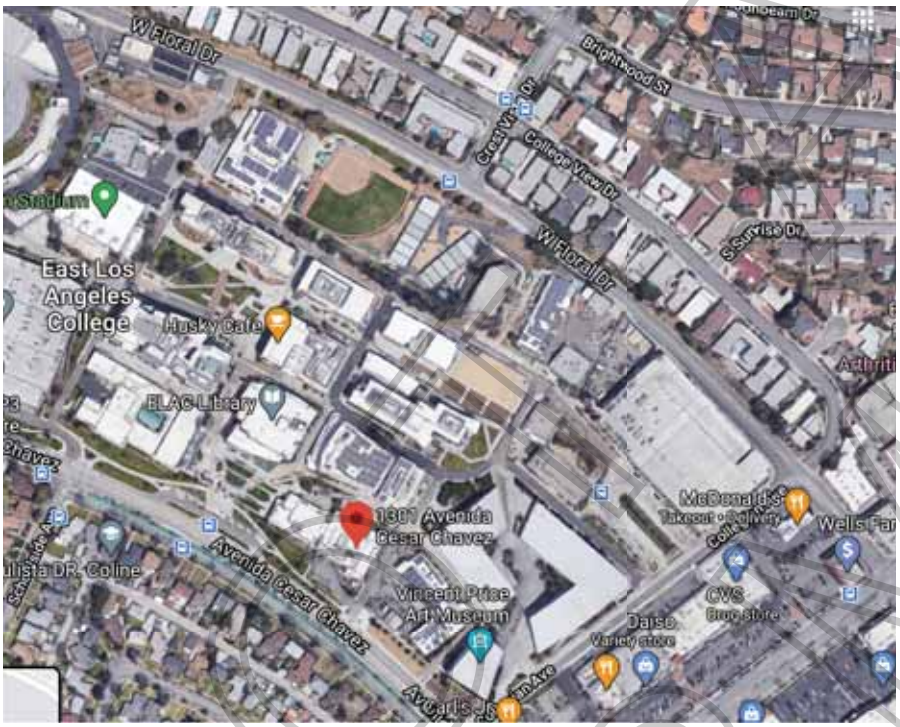
As Well as driving shots on the streets surrounding the school. Cesar Chavez, Floral, Collegian.



While flying we will need to clear the area of people walking on campus who maybe in the direct vicinity of exterior shots. I will also need to be aware of other vehicles on the road for driving shots. Photographing the car while flying above the open grass area in front of the school on Avenida Cesar Chavez, the parking garage on Collegain, and the baseball field on W. Floral will lower risk of having to fly directly above other vehicles and people.
